

## **How to reach HATHO**

### **If you travel by car**

If you want to reach the company HATHO by car, we recommend you to take the highway A5. Please leave the highway at the exit called “**Heitersheim**”.

Take the direction “**Gewerbepark Breisgau**” and follow the signs until you reach a roundabout traffic with the model of an airplane in its centre (after about 4 km). Please leave the roundabout traffic at the 2nd exit named “**Eschbach.**” Now you are driving along the **Immelmann Allee**.

After about 1.5 km please turn left into “**Hartheimer Straße**”. Short before the next crossroad you will reach our business premises in “**Freiburger Straße 18**” on the right sight.

### **If you travel by train and other kind of public transport**

At the **central station in Freiburg** you take the local train to Basel. The chosen train has to be a train which stops at the station “**Heitersheim**”.

Please leave the train at “Heitersheim” and change for the bus with the number 7240 which drives in direction “**Gewerbepark Breisgau**”. Only a few meters of the company HATHO in **Freiburger Straße 18** is a bus stop called “Freiburger Straße”.

### **If you travel by airplane**

The nearest airport is the **EuroAirport Basel-Mulhouse-Freiburg**. There is a regular and frequent bus transfer (Air-Bus Basel-Freiburg) to the central station Freiburg.

The way from the central station Freiburg to HATHO is described above under “how to reach us by train”. There are also many excellent train connections from others airports like Frankfurt, Stuttgart, or Zurich to the central station in Freiburg.
